Inspiring Digital Health Innovation

THE EUROPEAN PARTNERING EVENT
FOSTERING INNOVATION IN DIGITAL HEALTH

December,
3rd & 4th, 2024
Lille, FRANCE

December, 11th & 12th, 2024
Digital Meetings Days

1st EDITION

Organisers :

Organised together with:

MEDigIT

is a global business partnering convention dedicated to digital health innovation. MEDigIT aims to be a tool to accelerate and increase the scale of fundraising by digital health players. It is the ideal framework to assess and examine regulatory and market access challenges in the digital health sector, as well as a means to accelerate R&D and innovation partnerships for start-ups and SMEs, and a way for big players in the field to source innovations to in-license and start-ups and SMEs to acquire.

300
DELEGATES

30
COUNTRIES
REPRESENTED

ABOUT MEDIGIT

MEDigIT is the European framework for partnerships between innovative digital health players and the connected sectors and their stakeholders: pharma, biotech, medtech, payers, care homes...

MEDigIT is:

- a tool to accelerate and increase the scale of fundraising by digital health players
- the ideal opportunity to assess and examine regulatory and market access challenges in the digital health sector
- a means of accelerating R&D and innovation partnerships for start-ups and SMEs
- a way for big players in the field to source innovations to in-license, start-ups and SMEs to acquire
